

# SCHOOL VISIT EUROPE

produced by Rimini Apparat & Theater der  
Stadt Aalen & Junges Theater Heidelberg.

premiered March 2022

Haug / Kaegi / Wetzel

School Visit Europe is a performance you can put in your hand luggage - big ideas are rarely presented so intimately. What is Europe actually? Is it a geographic border, a cultural identity, a coalition of states? It is said over and over that Europe is an ever changing idea - too theoretical. Rimini Protokoll contrasts this abstract idea of Europe with the reality of a classroom. 15 students become part of a performance in a classroom that interweaves personal stories and the political mechanisms of Europe. How much Europe is in us all? You can host School Visit Europe within your own classroom and so the performance will travel to hundreds of schools throughout Europe, building a network which, rather than growing from a centre, stretches from front door to front door across the continent.
